

Value-Added, Cost-Saving Technology for Veterans Homes

Did you know your Veterans Home could be eligible for thousands of dollars in cost savings and pharmacy rebates? SRX's automated software is uniquely designed to help Veterans Homes lower pharmacy costs and receive valuable rebate dollars. Best of all, there are no out-of-pocket costs.

Significant Cost Savings

Integration with all related aspects of your pharmacy bill (EHRs, drug databases, pharmacy contracts, formularies, etc.)

Point-of-sale adjudication provides proactive control over drug dispense and contract price adherence.

Powerful reconciliation and reporting tools provide valuable insight and analysis for controlling costs and reducing waste.

Automated drug utilization reviews improve outcomes and hold pharmacies accountable to formulary rules and contract pricing.

Best Drug Rebate Solution

Automated technology identifies and submits all eligible rebates.

Guaranteed, transparent rebate amounts.

Guaranteed quarterly payments.

Paid on time, every time.

Proven Results

Average cost savings over 11%.

Demonstrable, quantifiable results within 60 days.

Case Study

In one state, SRX was able to help three Veterans Homes* begin to receive thousands of dollars in quarterly rebates. Below are their results for one year beginning Q4 2019.

Facility	Q4 2019	Q1 2020	Q2 2020	Q3 2020	Total
Home #1	\$9,640	\$11,120	\$6,700	\$5,670	\$ 33,130
Home #2	\$ 4,140	\$2,860	\$2,360	\$2,270	\$ 11,630
Home #3	\$ 1,520	\$ 800	\$ 660	\$ 1,120	\$ 4,100
Total					\$48,860

“We have found that an extra several thousand dollars every quarter has been a welcome addition to our pharmacy operations.”
